NEW FOR 2023

A new addition to our Live Auction Event on Saturday April 15, 2023 will be the **Beer Garden**, sponsored by **Cooper Glass Homes**. The Beer Garden will open at 5:00 pm, one full hour before the Live Auction opens at 6:00 pm. This will allow for a more relaxed check-in process well before the on-site bidding begins. Beer and wine will be served, along with some light appetizers.

Start the evening off socializing with your friends and neighbors over a drink, before getting down to the ruthless business of outbidding each other.

The Beer Garden is under a larger tent than seen in previous auctions with heat and a floor, so no matter the weather, **it will be fun!**

A ticket to the Service Auction is required to enter the Beer Garden.

THANK YOU Dana Cooper and Laurie Glass, Realtors

2023 AUCTION FORMAT

The Best of Both Worlds – The 2023 HWMC Service Auction will combine the online auction format of 2020 and 2021 with the Live Auction Event of the past. The online auction begins Wednesday April 12 and runs until the beginning of the Live Auction on Saturday, April 15. All bidding, even at the Live Auction Event, will be done through the MaxGiving host app. To bid in the online auction or the Live Event, bidders must preregister at HWMC.ORG/Auction. HWMC: WHO WE ARE

and why your attendance means a lot to all of us

The Huntington Woods Men's Club was formed in 1975 by 24 charter members as a community service organization serving the city of Huntington Woods. Over the years, the Club has grown to over 150 members and has lived up to its charter. Members have volunteered countless time and energy in support of community service activities.

Through the Club's fundraising efforts, well over \$2,000,000 has been raised and donated back to the city for special events and projects. The Club's annual Service Auction each spring is one of the highlights of the year for the Club and the community. We also have three other fundraisers throughout the year: a ticket raffle as part of the July 4th celebration, cider & donut sale in the fall in conjunction with the Women's League and a golf outing to raise money for the HWMC Scholarship Fund. All money raised from Men's Club fundraisers is returned to the community through various projects.

In addition to service, the Men's Club serves a social role through monthly general membership meetings and various family and adult events throughout the year. These fun-filled events further strengthen the community spirit that the Club seeks to promote.

HWMC Service Auction Mission

FOR OUR COMMUNITY

Every year the HWMC Service Auction picks a project to support within the community. These projects are presented to the club from various sources and voted on by our membership.

The 2023 service auction will raise funds to support the renovations and update to the inline skate rink at Val Jones Park on 11 Mile Road. The club will be allocating up to \$15,000 to resurface the rink, repair the boards and fencing around the rink and plant some trees for sound reduction. This will greatly enhance the play, safety, and noise level from the rink. Val Jones Park and its inline skate rink is one of the most used parks in the city.

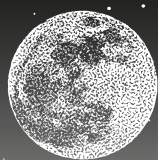

In addition to the Inline Rink updates we will be allocating up to \$35,000 for the removal and replacement of the play structure at Elgin Park. This play structure has gotten a lot of use over the years and is showing its wear. These two projects will improve our parks and total \$50,000.

WITH YOUR HELP

These projects are a significant undertaking that are not in the budget for the City or HW Parks & Recreation Department. The Huntington Woods Men's Club is proud to be able to fund a large portion of these necessary community improvement project, we are looking forward to a successful 2023 Service Auction to help provide the financial resources for this project. The Huntington Woods Men's Club thanks you for your support in making the 2023 Service Auction a success. With your help we will be able to make this project a reality for the community.

HUNTINGTON WOODS
AUCTION

Chauffeur

ALL ABOARD THE AUCTION EXPRESS!

Back again with two buses! The HWMC, in cooperation with the generous sponsors at SMART, will be providing Auction bus service within Huntington Woods on the evening of the Auction. The bus helps you get to and from the Auction more safely, and you can skip fighting for limited parking near the Gillham Recreation Center.

WHERE AND WHEN WILL THE BUS OPERATE?

There will be an East Route and a West Route, as detailed in the map on the next page, with many designated stops on each Route. The buses will begin running shortly before the Beer Garden **opens at 5pm**, picking Auction-goers up throughout the City and dropping them off at the Gillham Recreation Center between each loop. The stops are marked on the map and will be designated by signs in the community on the evening of the Auction. The last pickup bus will depart the Rec Center at 7:15pm. The bus will run the same routes to take you home from the Auction later in the evening, starting around 8:30 pm.

HOW DO YOU USE THE BUS?

We estimate that the buses will be able to make a complete trip through both routes in about 30 minutes, so you should see a bus about every 15 minutes. Identify the best stop for you on the map on the next page in advance so you can plan to leave your home early enough to get to the auction when you like. Walk to your stop and wait for the bus to pick you up.

HOW MUCH WILL IT COST?

Not a penny. The Huntington Woods Men's Club is providing this service to this year's Auction-goers with the generous support from the good people at SMART.

See you at the Auction, and don't forget to thank your hard working bus drivers!

THANK YOU TO OUR TRANSPORTATION SPONSORS!

Calling All Stamp Enthusiasts!

From America's Stamp Stop

Michigan Trout Stamps were first issued in 1935 as a way to generate funds to support the state's trout hatchery program. Anglers who wished to fish for trout in Michigan's inland lakes and streams were required to purchase a Trout Stamp in addition to their regular fishing license. The Trout Stamp program proved to be very successful, and over the years, the stamps became collector's items, particularly the early issues from the 1930s and 1940s. In 1949, the Trout Stamp design featured a brown trout against a background of rippling water. Available here is this block of 4 Michigan Trout Stamps, c.1949. These are in mint condition, and never hinged (MNH). Bid on these to own an interesting piece of Michigan history!
