2023 HUNTINGTON WOODS MEN'S CLUB AUCTION

Hello from the Huntington Woods community!

We are the Huntington Woods Men's Club, and we are working on our 42nd annual Auction fundraiser, an event that takes place every spring. Huntington Woods is a very close community, and this premier event generates a lot of local buzz. Over the years, as many 800 residents come together to bid, eat, drink, and raise money for our auction project and other community funding requests we receive. We fund projects from renovating our community parks, to sideline jackets for Berkley Bear's Varsity Soccer, to funding Berkley High School's Robotics Club and, of course, our city's wonderful, annual 4th of July celebration. This event is locally famous and well attended; it's the social event of the year!

A huge part of the event entails providing food to our guests. We are asking local restaurants to donate food, or even come to the auction to prepare and serve a signature dish or two to the attendees of the auction. If you attend, a designated booth will be set up for you to distribute food, marked by a banner with your name and logo. In addition, all food donors and participating restaurants will be named as a *Signature Sponsor* in our auction catalog that gets hand delivered to over 2,400 Huntington Woods homes. People in Huntington Woods often choose to frequent those establishments that sponsor our auction. This year's auction is Saturday April 15, 2023 at 6:00PM. With hundreds of attendees anticipated, this can be a big promotion for your business! Can we count on your support?

We hope to partner with you to host one of the biggest events of the year for the Huntington Woods community. Please feel free to call to discuss further.

Thank you so much for your consideration of this request!

Sincerely,

The 2023 HWMC Auction Hospitality Committee:

Dave Alberts: (206) 948-7441 or djalberts@gmail.com

Dan Parrino: (734) 775-2937 or parrinod@gmail.com

The Huntington Woods Men's Club (HWMC) is a 501(c)(4) organization chartered in 1975 to promote civic consciousness and leadership, and to provide enhancement to the community and its citizens, through the organized efforts of men, women and youths providing: civic service, constructive projects, financial support and community building events.

Contributions or gifts to HWMC are not tax deductible as charitable contributions
