Dear Friends and Neighbors –

On March 11, 2020, the Michigan Department of Health and Human Services issued guidelines to help mitigate the spread of COVID-19 in our state, including postponing any upcoming events with over 100 attendees. Given this state-wide recommendation and in consultation with the City of Huntington Woods, the Men's Club has decided that the 2020 HWMC Service Auction will be postponed from the original date of March 28, 2020. The Auction will now be held on Saturday, May 30, 2020.

The annual HWMC Service Auction is a popular event for residents of our community for so many reasons. From socializing with friends and neighbors to the funds raised for the City and its organizations, it is an annual celebration of and for our community. It is our hope that we will be able to continue to share in this tradition with you 10 weeks from now on May 30.

For auction updates and answers to any of your questions, please visit our website, www.hwmc.org. We will also share any new information with the City administrators so that they can provide new information in the weekly City eBlast. We ask for your patience and understanding as we adjust our efforts and plans over the coming days.

We hope that you will join the HWMC in making the best of this unfortunate set of circumstances by joining us in May for our rescheduled event. Your annual support of the HWMC Service Auction makes it possible for us fund so many projects across our community. We thank you for your past support, and we look forward to seeing you at the Auction later this spring, and to once again participate in this community-wide tradition of giving.

Sincerely,

The HWMC 2019-2020 Board
