January 10, 2020

Hello from the down the street!

We are the Huntington Woods Men's Club and we are preparing for our 38th annual Auction fundraiser event that takes place every spring. Huntington Woods is a very close community and this event generates a lot of local buzz. Over 800 residents get together looking forward to warmer weather ahead – it's the social event of the year!

In the months ahead, we collect unique donated gift items that are then offered for auction. But that's not all!!! We also prepare a beautiful catalog featuring these gifts and hand-deliver one to every household in the city – yes, we ourselves go to over 2,400 homes!

In addition to gift descriptions we also include advertisements for local businesses, from full-page color to business card black and whites. There are limited options so this is first come first served.

The reason we do this is simple. We get the neighborhood together and raise funds that support programs and projects right here from park improvements to activities at the Berkley Schools. If you can help us make this next Auction a success by either donating a gift or are interested in placing an advertisement, please review the enclosed forms and contact us.

THANK YOU, so much, for your consideration!

Sincerely,

The Huntington Woods Men's Club

The Huntington Woods Men's Club (HWMC) is a 501(c)(4) organization chartered in 1975 to promote civic consciousness and leadership, and to provide enhancement to the community and its citizens, through the organized efforts of men, women and youths providing: civic service, constructive projects, financial support and community building events.

Contributions or gifts to HWMC are not tax deductible as charitable contributions
